There are some persons who believe that there is no truth to be gained from consulting a Medium, but such beliefs are contrary to the truth. It is only from the lack of discrimination that such a conclusion can be reached, It is not every one who placards himself or herself as a medium that can stand a test of what he or she claims.

And a person of an enquiring mind may ask the reason why. It is simply that these advisers do not take the trouble to study hun an nature. They do not spend their thoughts for a moment with acquiring the art of phase ology and kindred branches that will have a tendency to make the pathway to the road of the business clear and devoid of all obstacles.

It is an undeniable fact that persons in one of them seemed to know what was the matter. None could do her any good. It was my duty as her pastor to can and see her. Hearmally in the persons in the condition of the business clear and devoid of all obstacles.
